Patrick Cotter 2000

Occupation: Postman

When [Felicity Scully](#) developed a crush on Ramsay Street's postman, [Pete Redman](#), she was surprised one day when he was suddenly replaced with new postie Patrick Cotter. However, things suddenly became clear to Flick when Patrick explained that he was just filling in, as Pete was sick, and Flick realised that must be why he hadn't turned up for their date at the Coffee Shop, little realising that the love notes she'd been receiving from Pete were actually part of a practical joke by her mates, [Paul](#) and [Tad](#).
